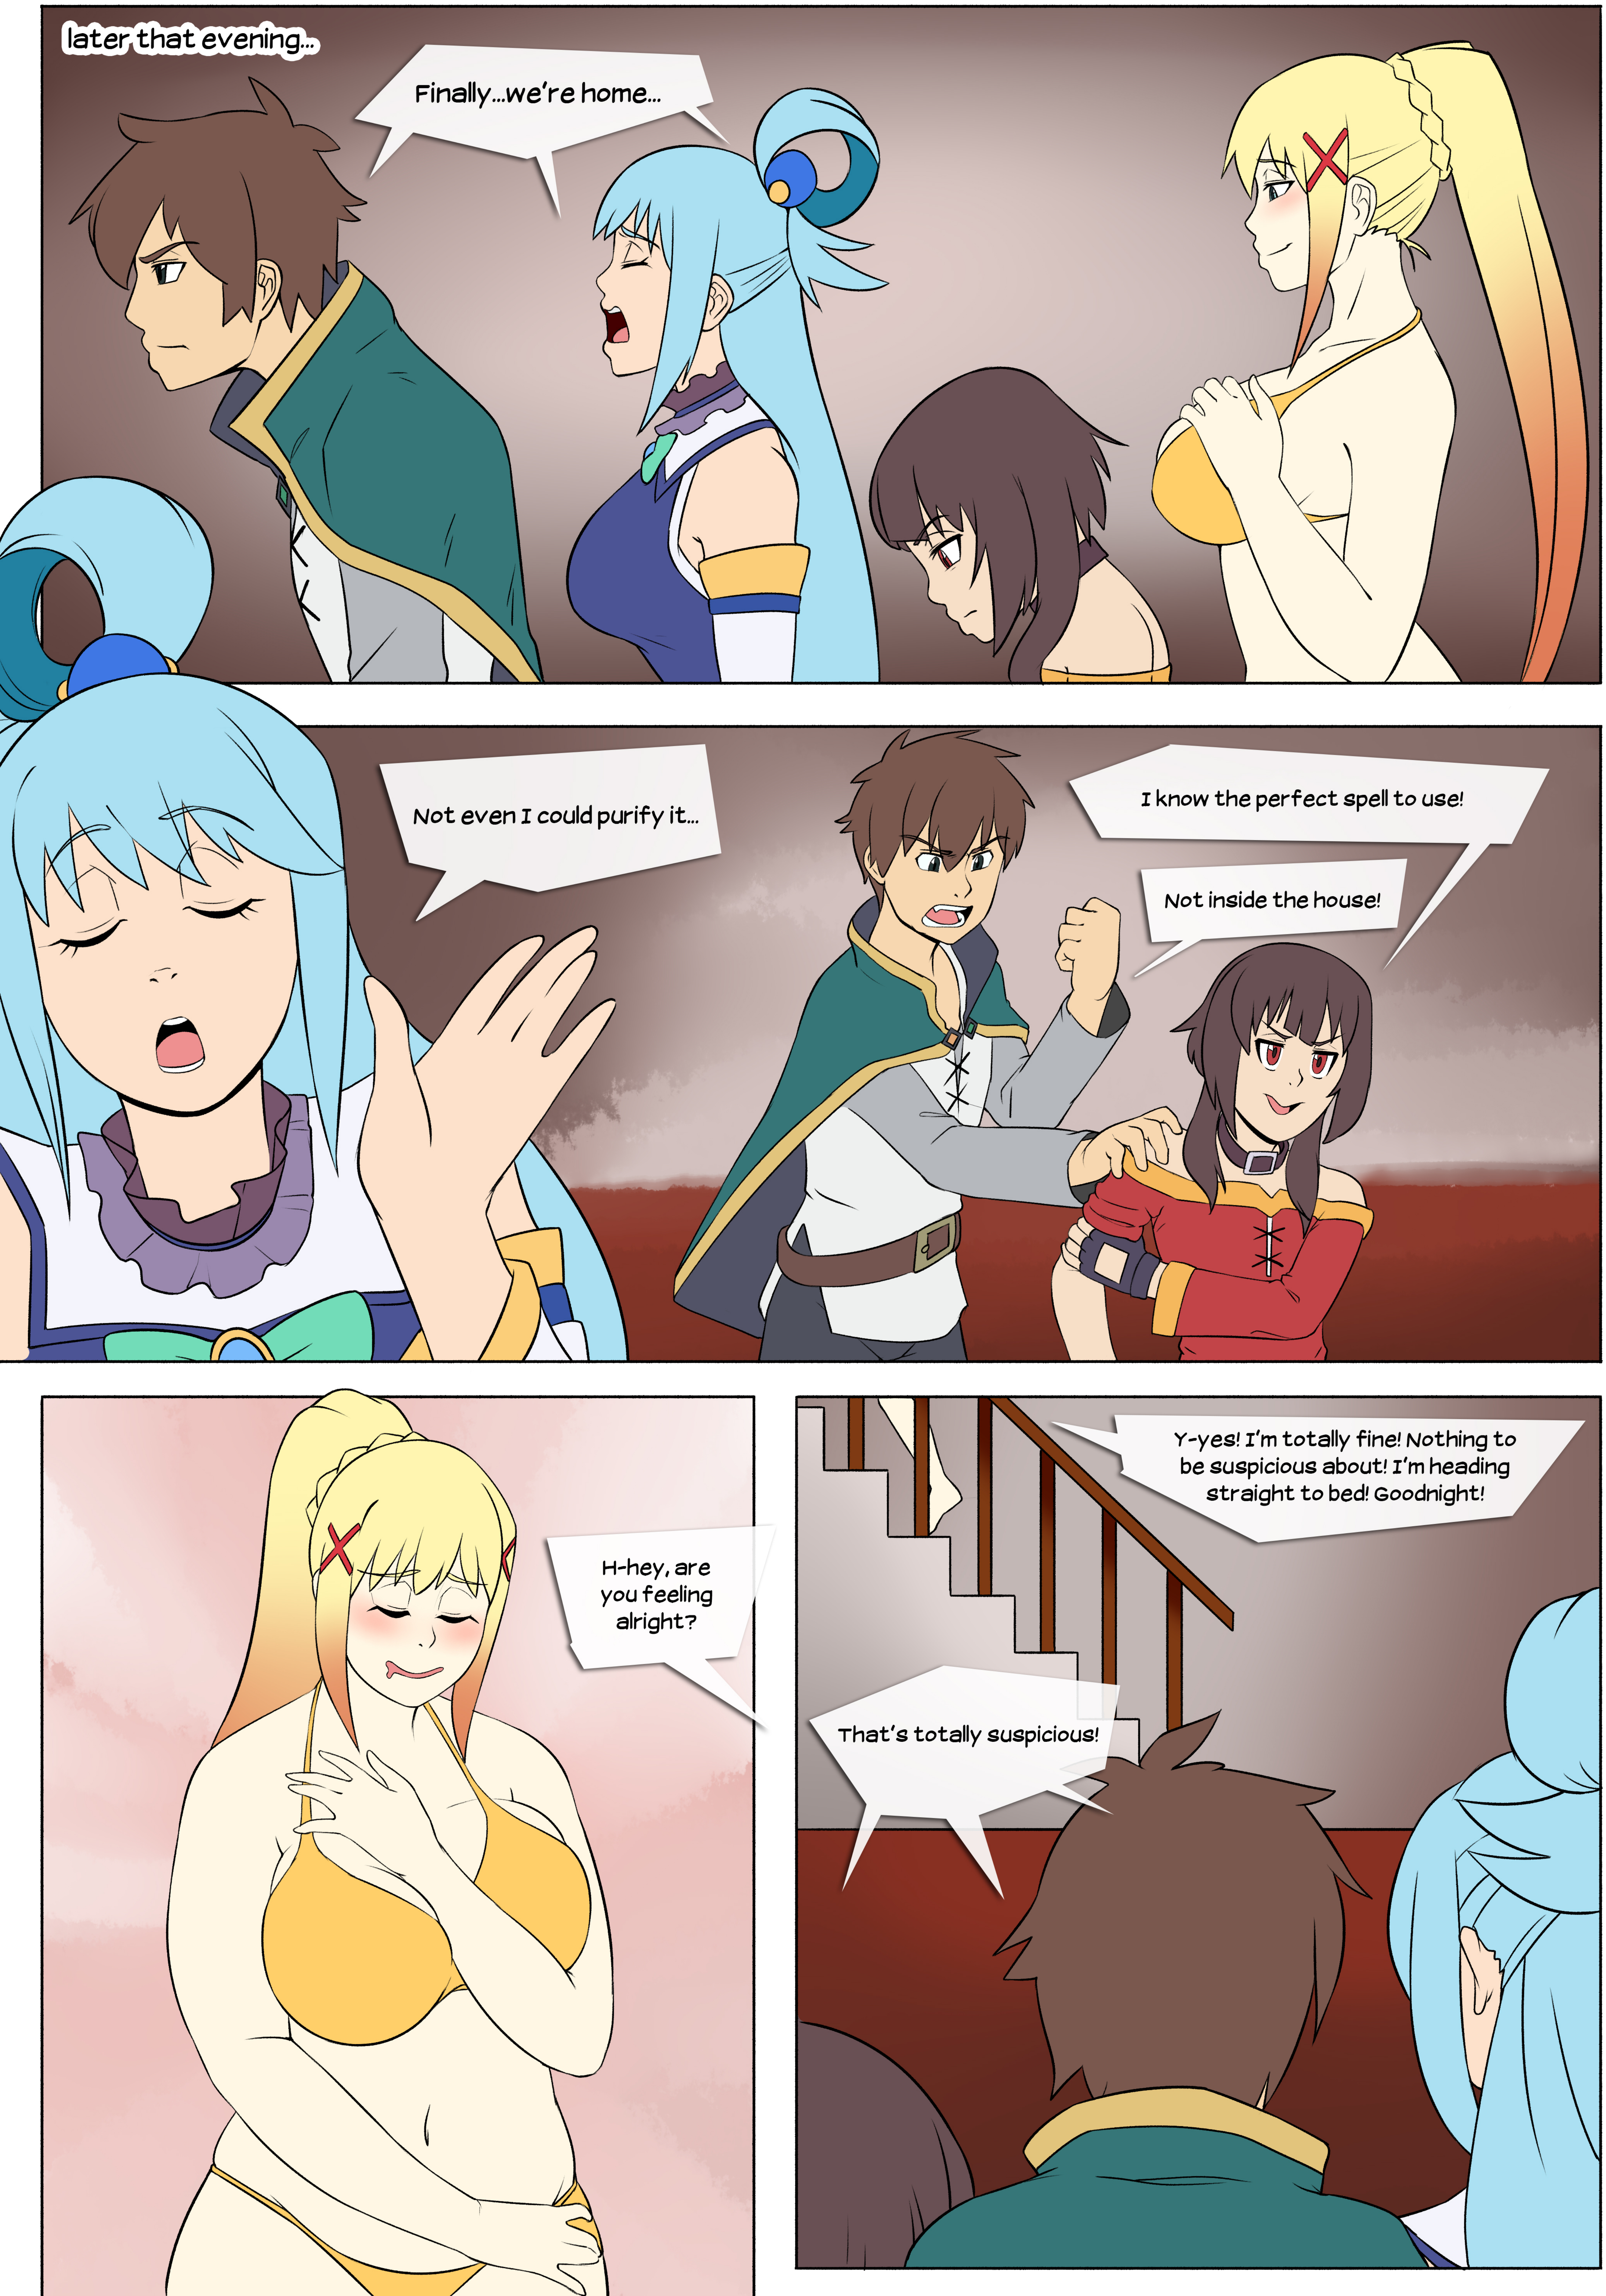
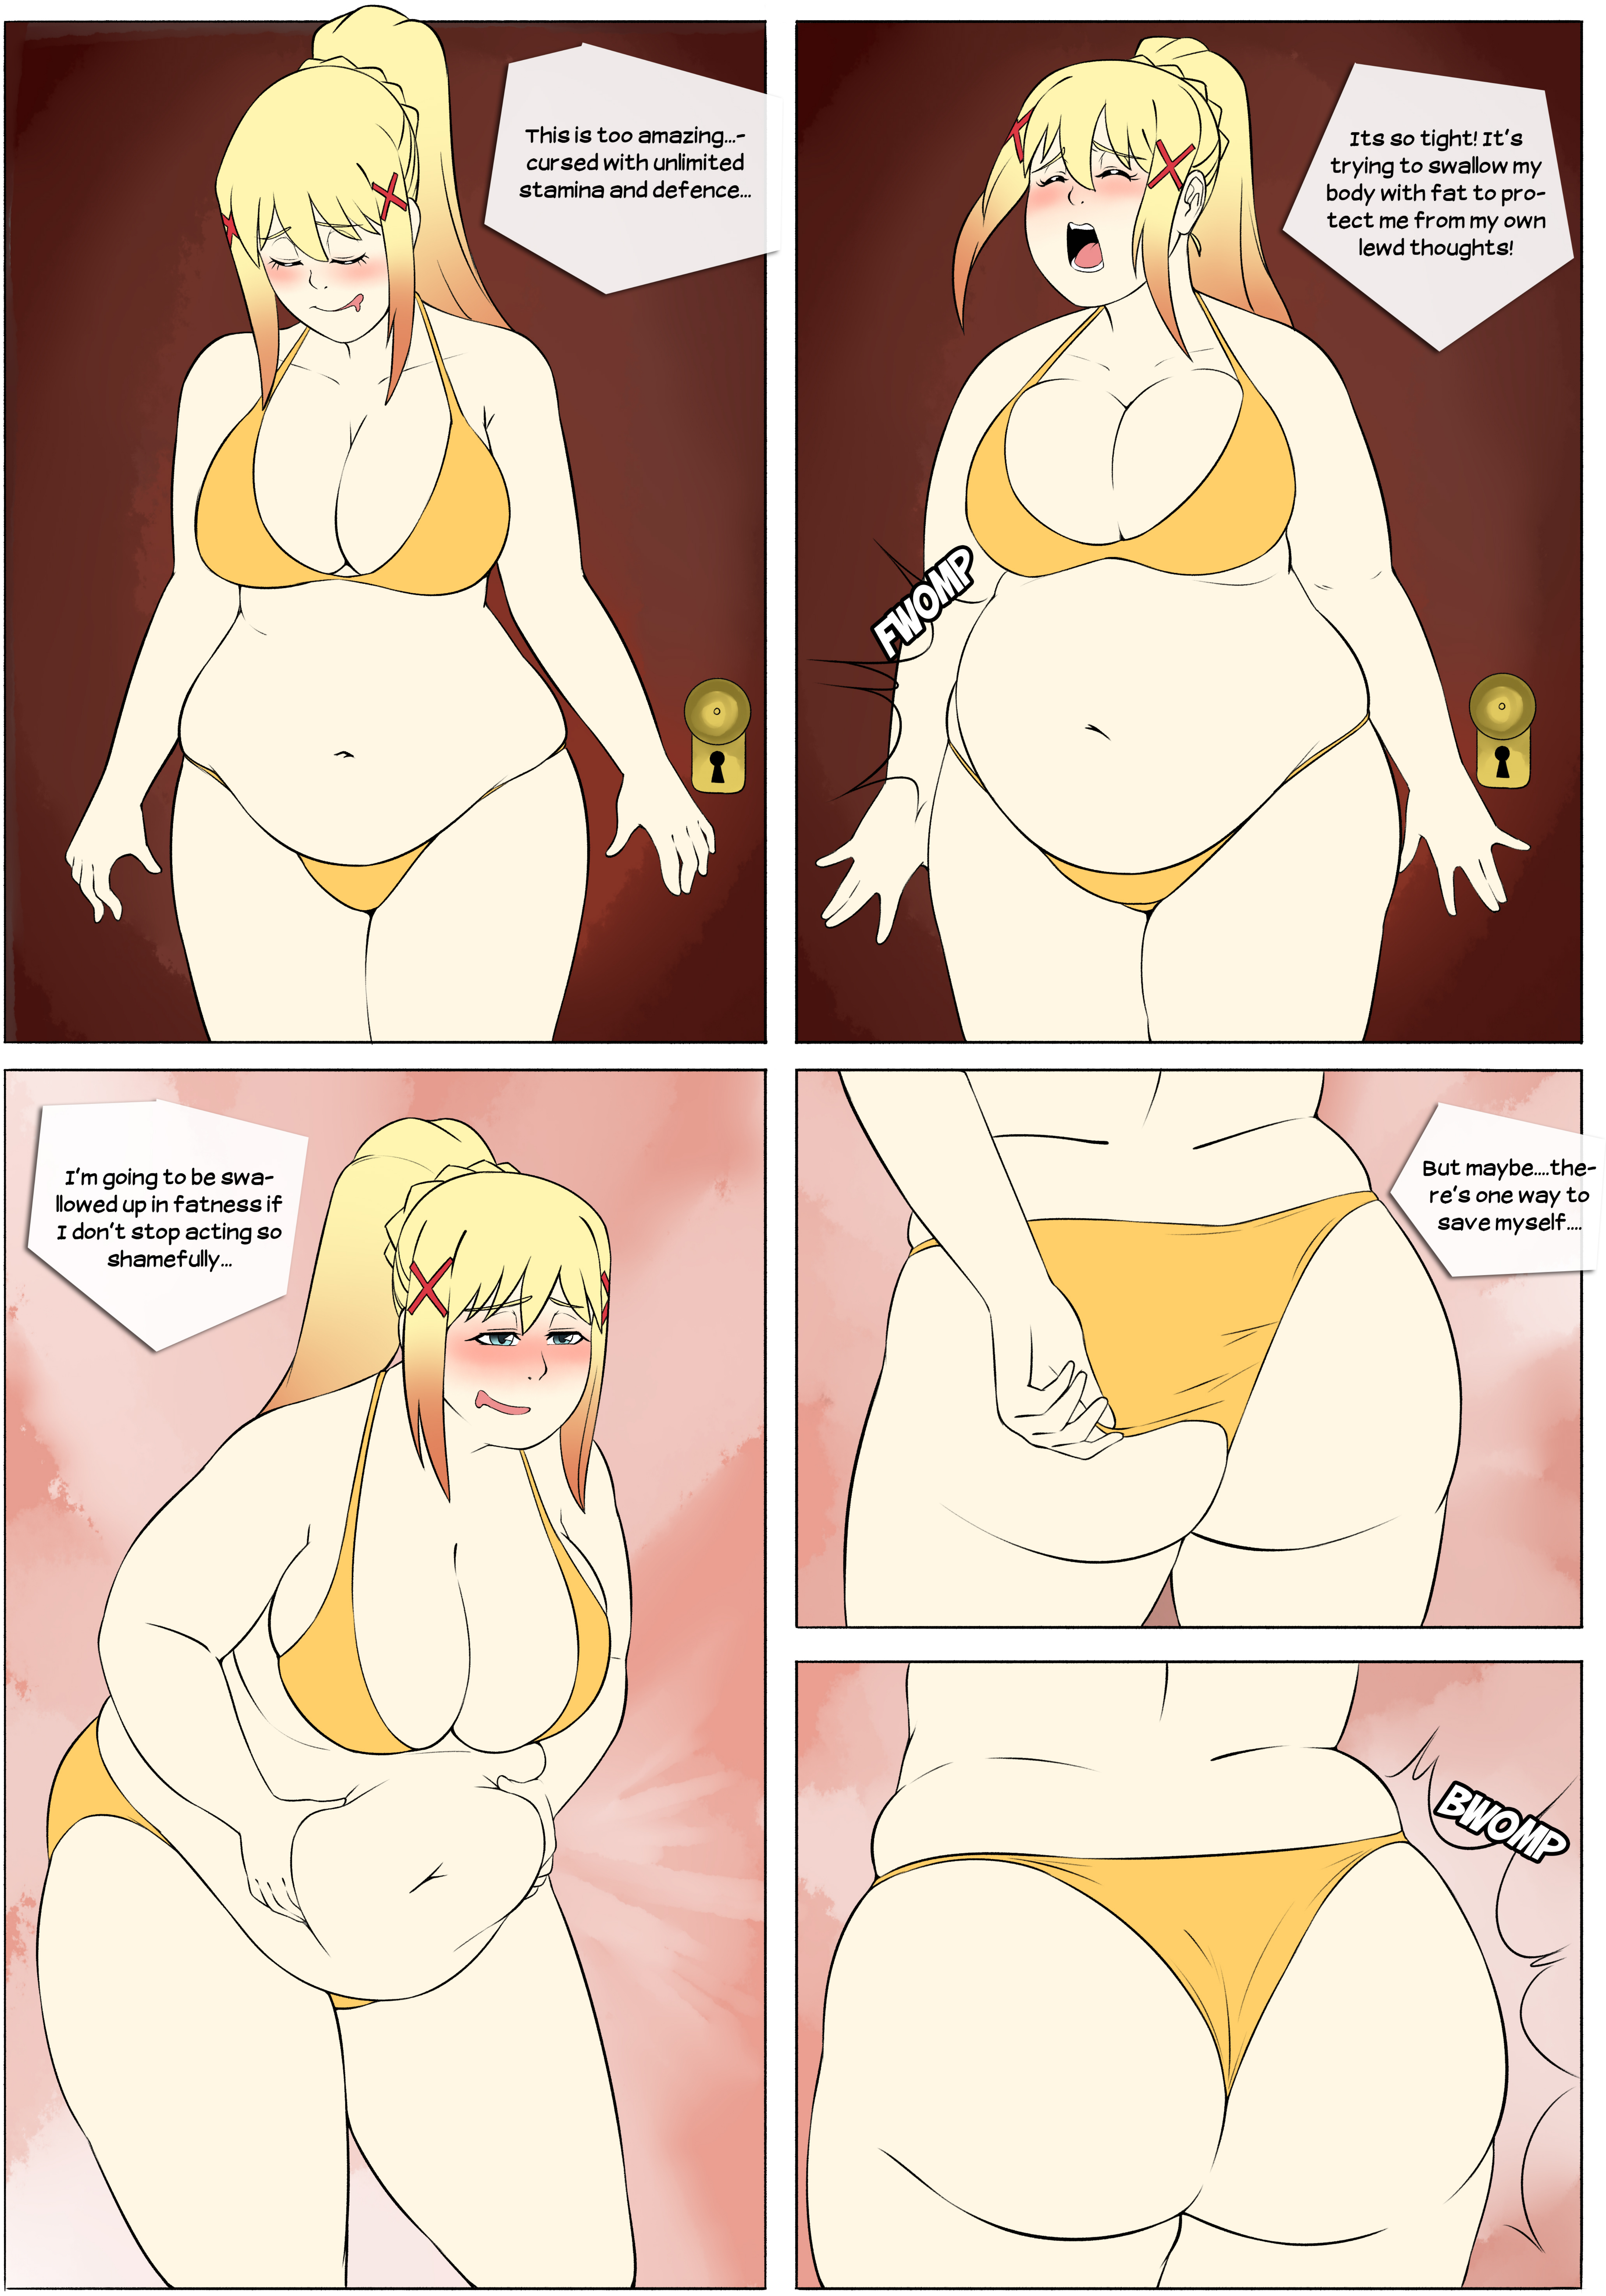
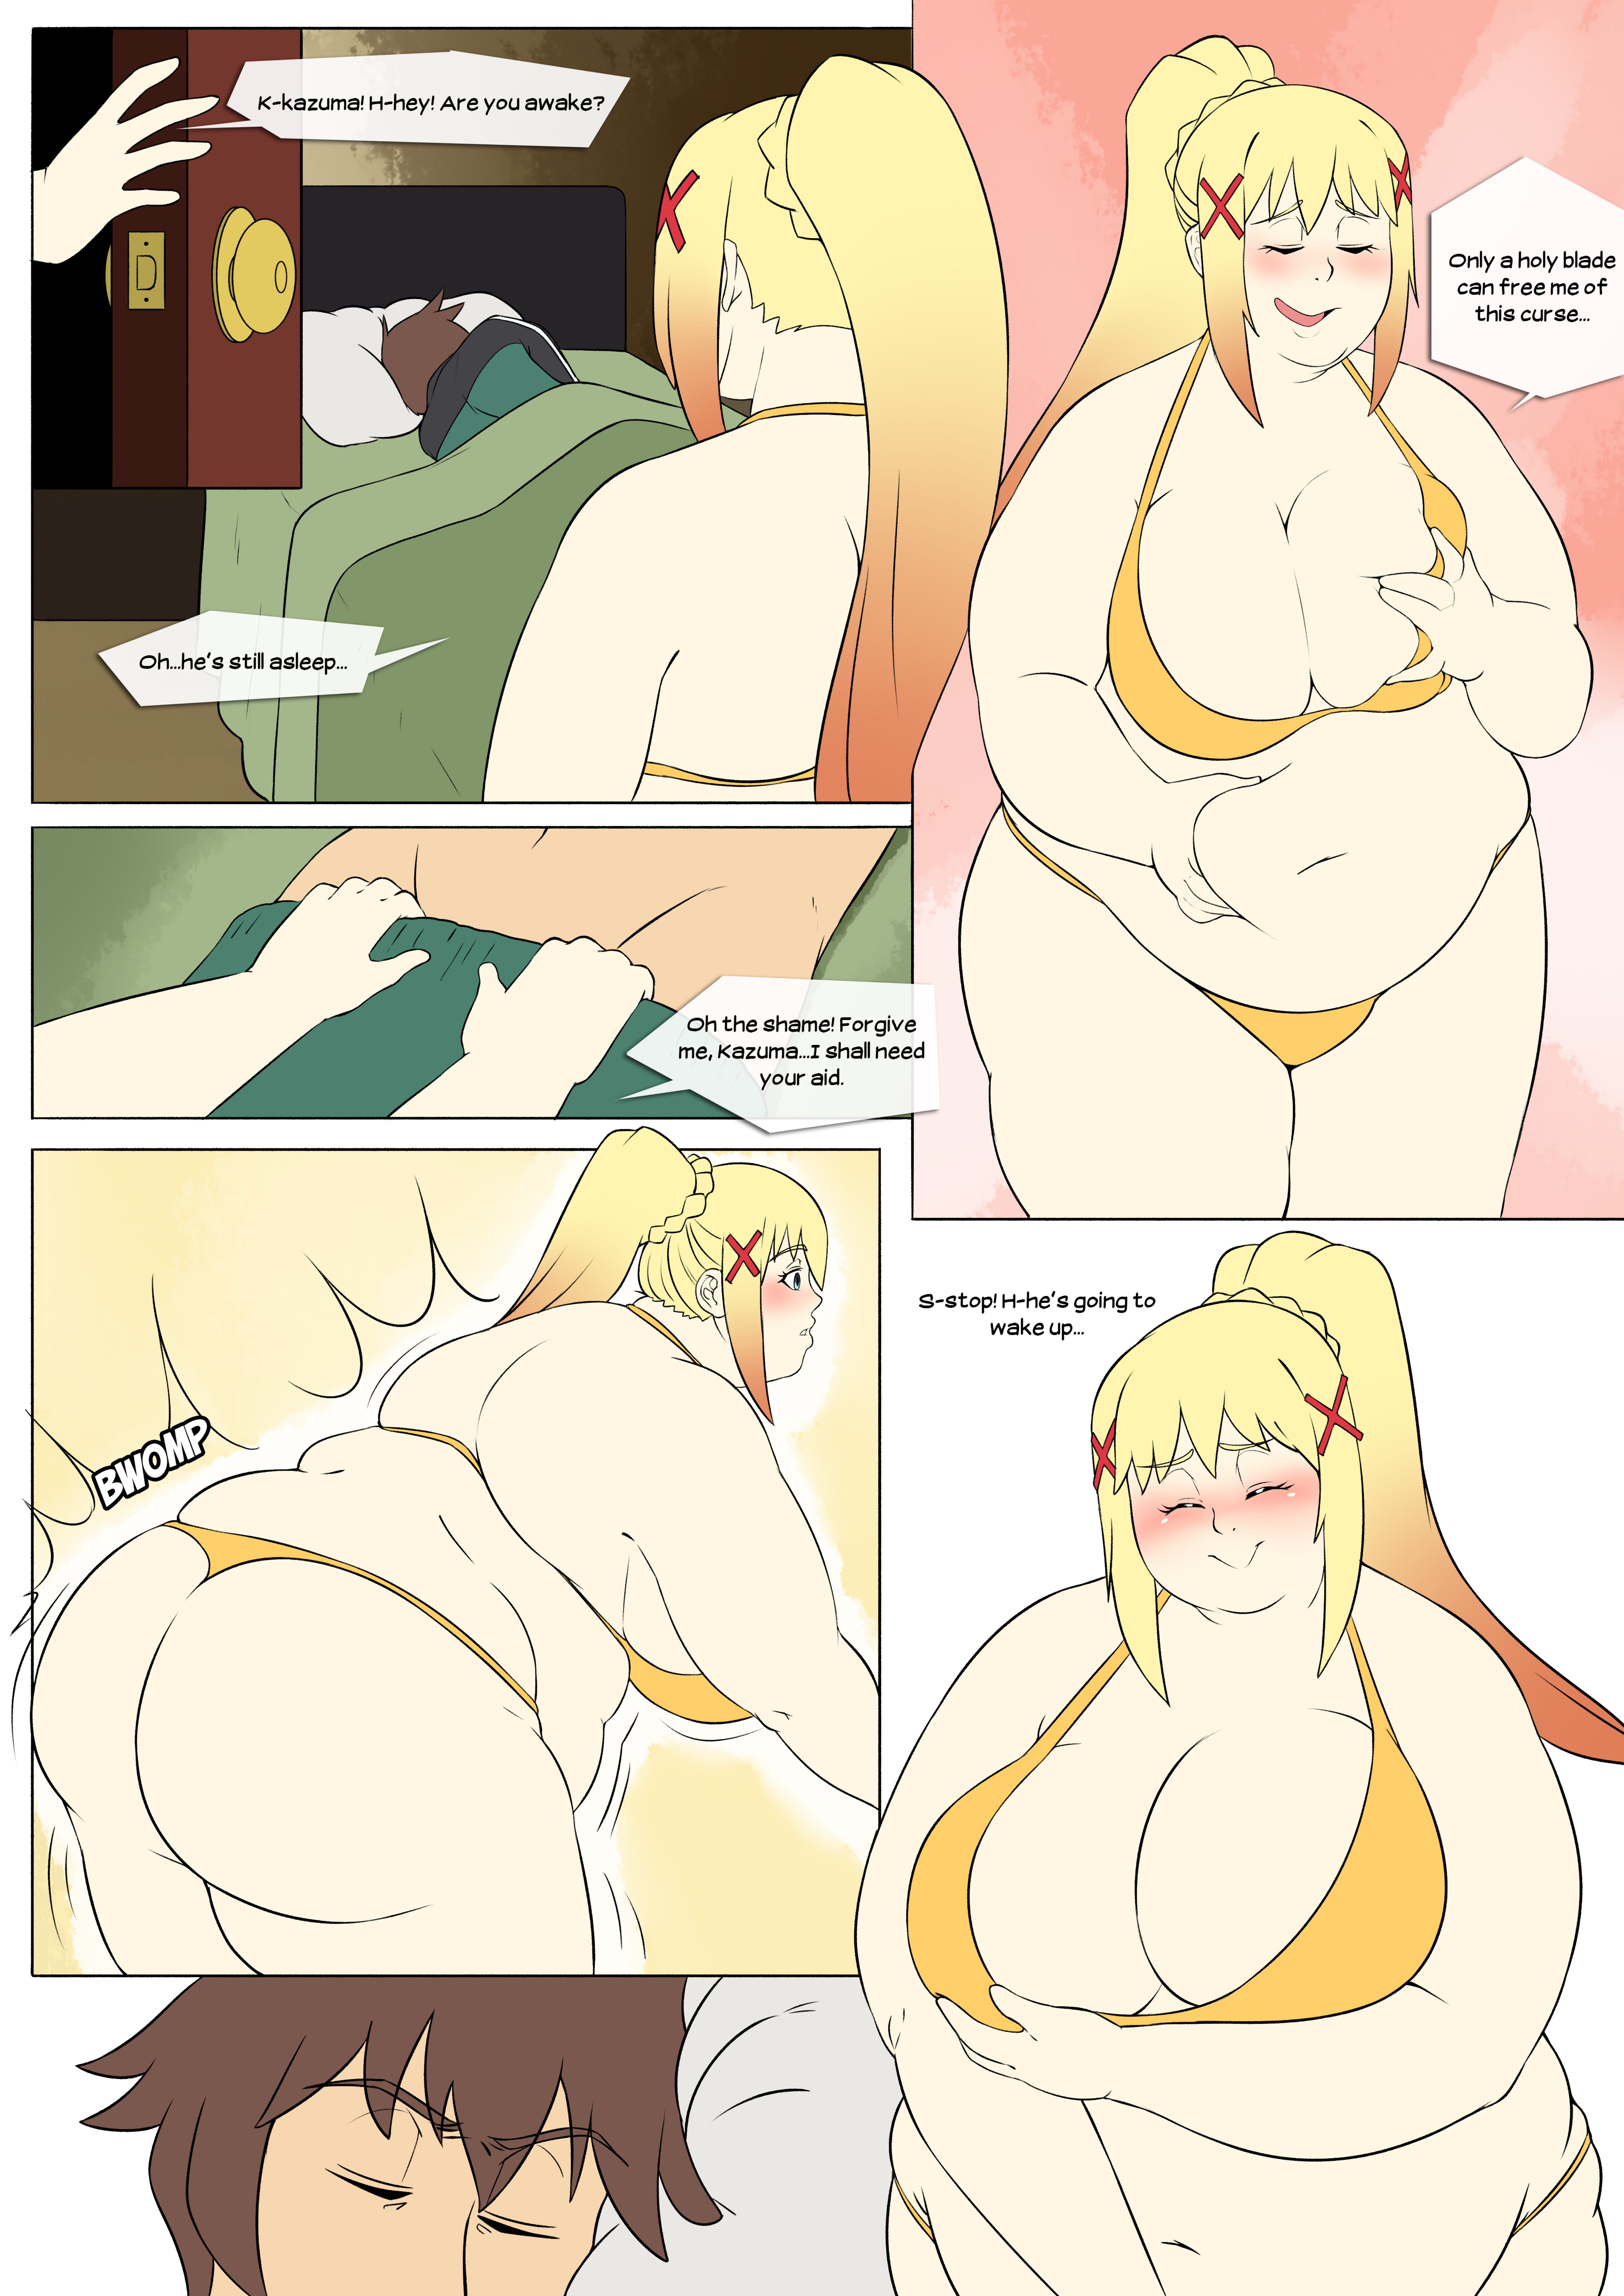
This is the armor of legend
Impenetrable to only the most divine blades.
And now it is within our heroes' grasp!
But with it, comes a terrible curse...
DO NOT TOUCH
ITEMS MIGHT BE CURSED
So...what do we do now?



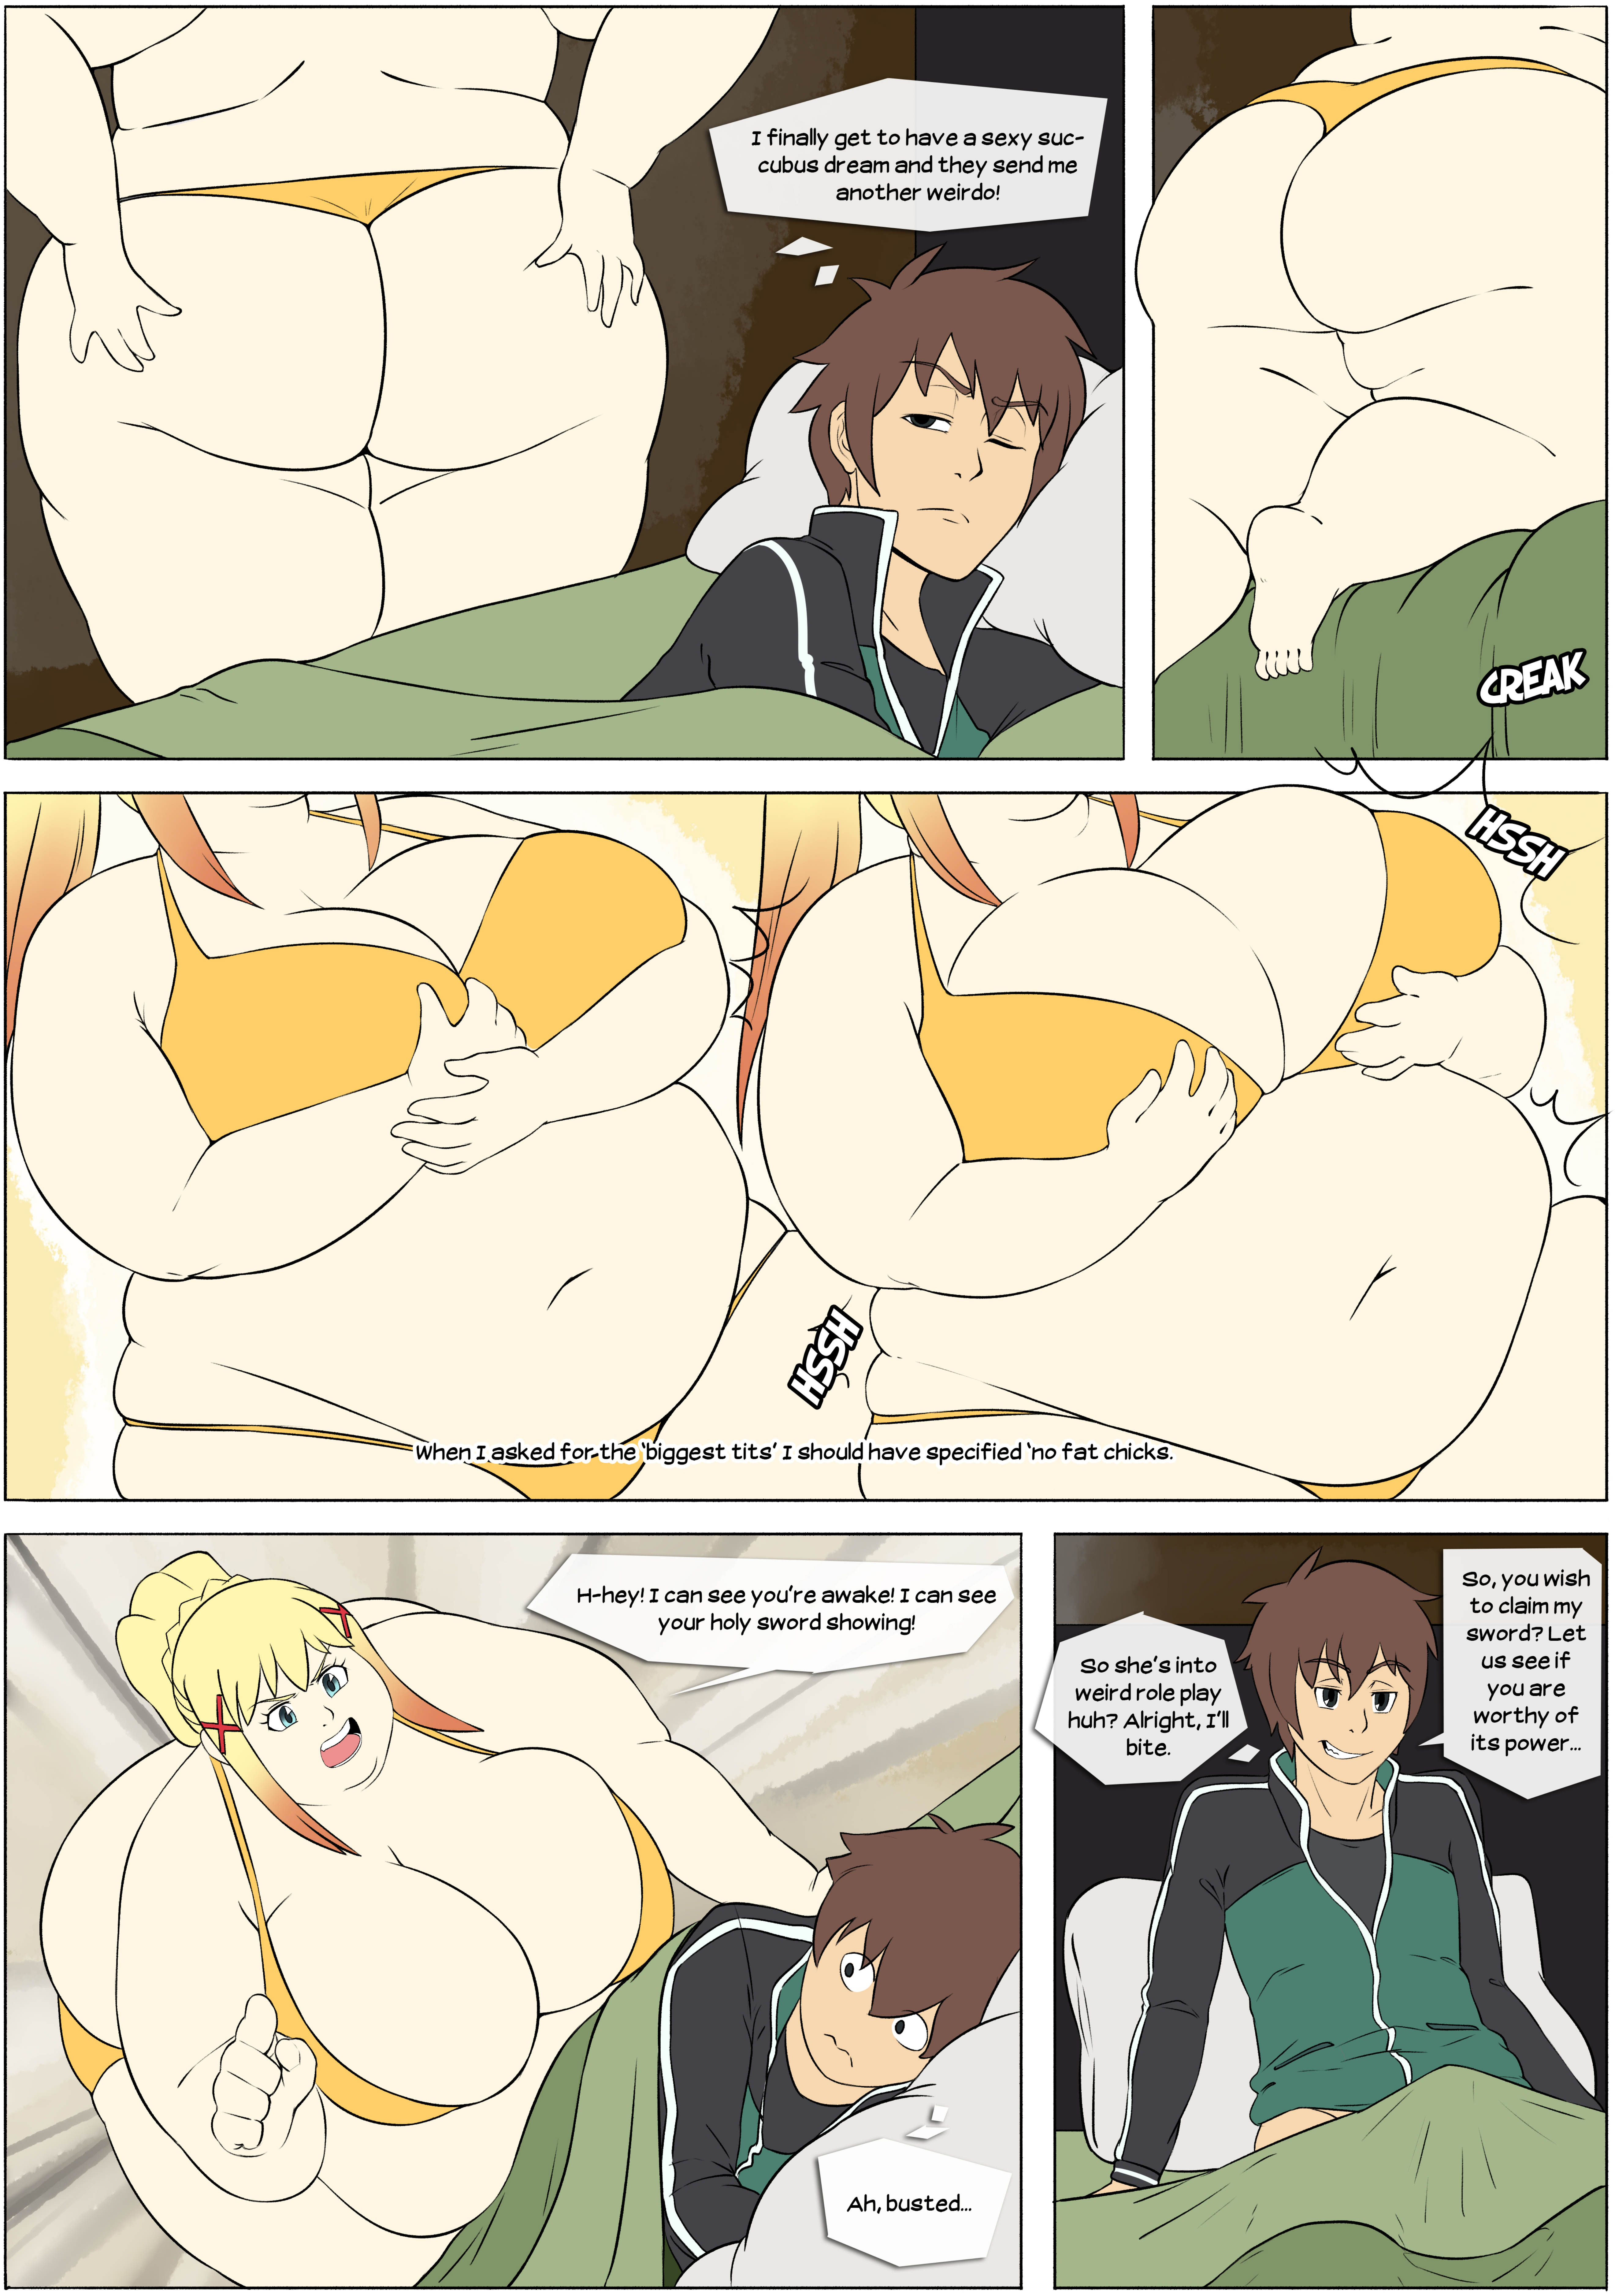
later that evening...
Finally...we're home...
Not even I could purify it...
I know the perfect spell to use!
Not inside the house!
H-hey, are you feeling alright?
Y-yes! I'm totally fine! Nothing to be suspicious about! I'm heading straight to bed! Goodnight!
That's totally suspicious!



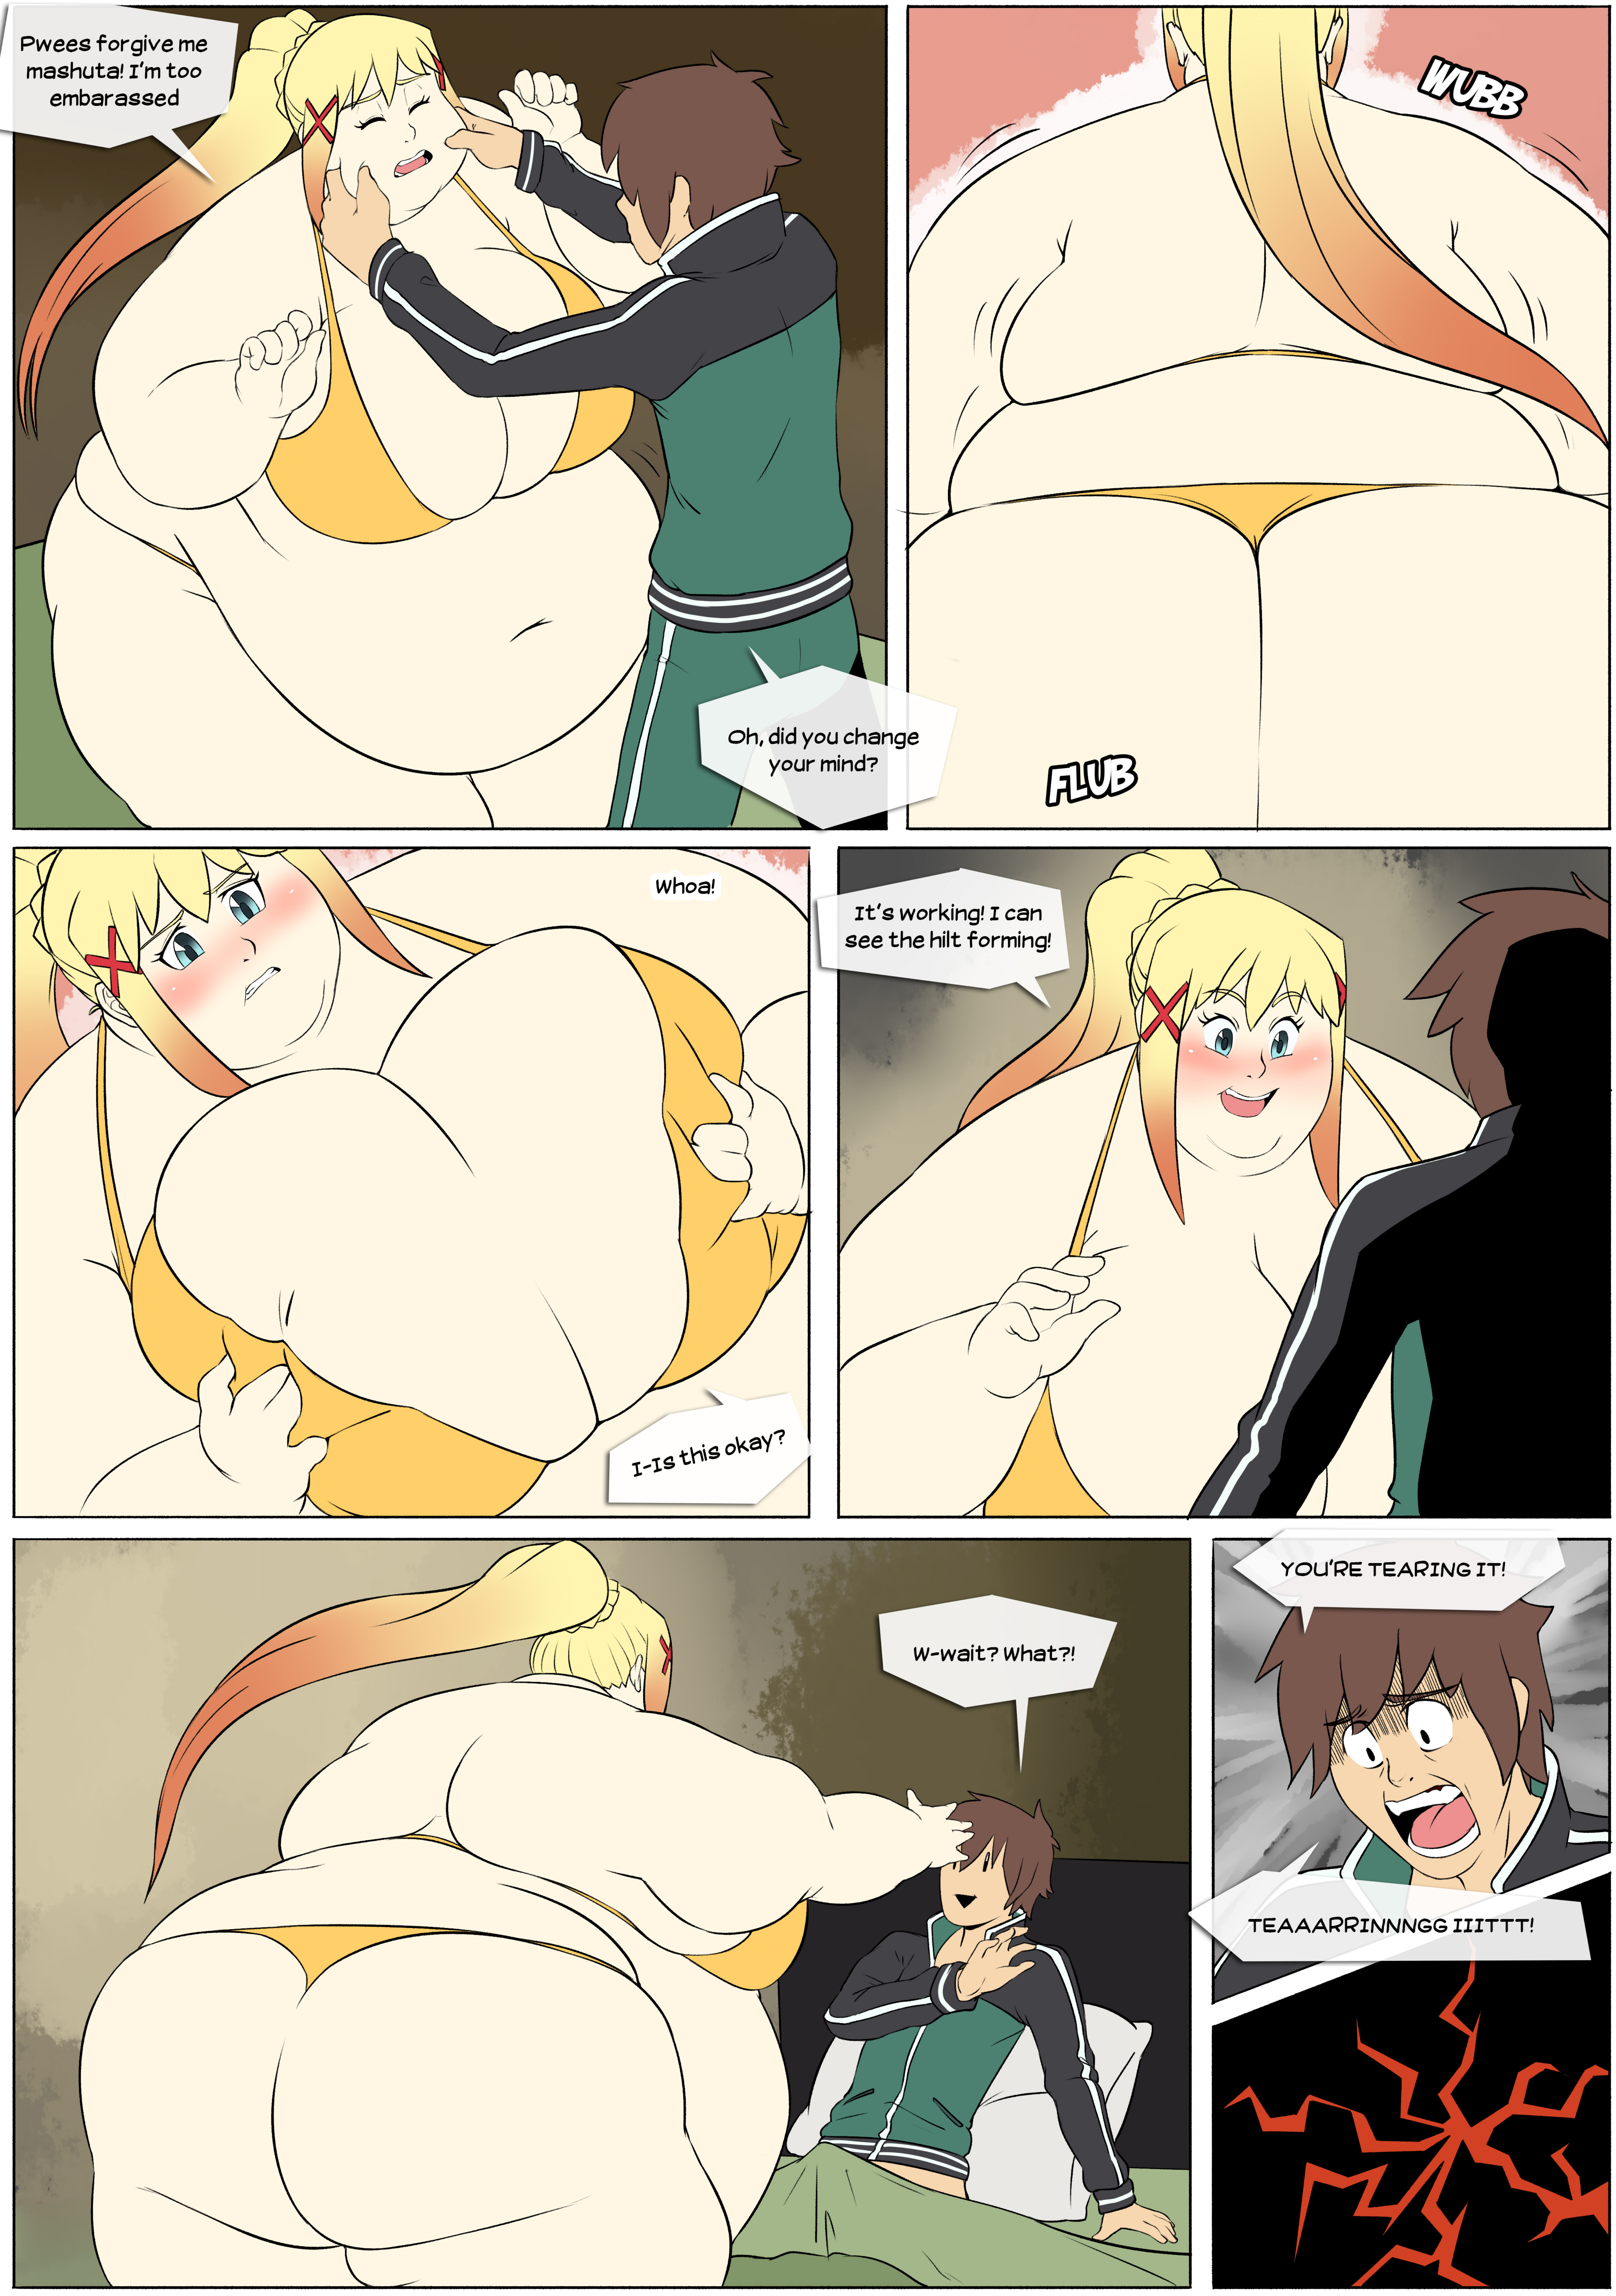
This is too amazing...- cursed with unlimited stamina and defence...
Its so tight! It’s trying to swallow my body with fat to protect me from my own lewd thoughts!
FWOMP
I’m going to be swallowed up in fatness if I don’t stop acting so shamefully...
But maybe....there’s one way to save myself....
BWOMP



K-kazuma! H-hey! Are you awake?
Oh...he's still asleep...
Oh the shame! Forgive me, Kazuma...I shall need your aid.
Only a holy blade can free me of this curse...
BWOMP
S-stop! H-he's going to wake up...



I finally get to have a sexy succubus dream and they send me another weirdo!
CREAK
HSSH
HSSH
When I asked for the 'biggest tits' I should have specified 'no fat chicks.
H-hey! I can see you're awake! I can see your holy sword showing!
Ah, busted...
So she's into weird role play huh? Alright, I'll bite.
So, you wish to claim my sword? Let us see if you are worthy of its power...



Pwees forgive me mashuta! I'm too embarassed
Oh, did you change your mind?
WUBB
FLUB
Whoa!
I-Is this okay?
It's working! I can see the hilt forming!
W-wait? What?!
YOU'RE TEARING IT!

Does Darkness look a bit different today?
A 'bit' is an understatement...
Wow! I feel amazing! Excalibur is awesome!
Excalibur?
Darkness, you're huge!
Yep, you've gotten REAAA-LLLY fat!
SLAM
I-I'm not heavy...I-it's just this armor...
You can't even see the armor anymore!
FLOPP

It's the only thing you have that still fits...
Can you fix it?
Uh...I can try...
W-why am I so faaaaat-tt?
Ah! Much better! I hate it when things rub together.

WHY WOULD YOU EVEN HAVE THAT?!

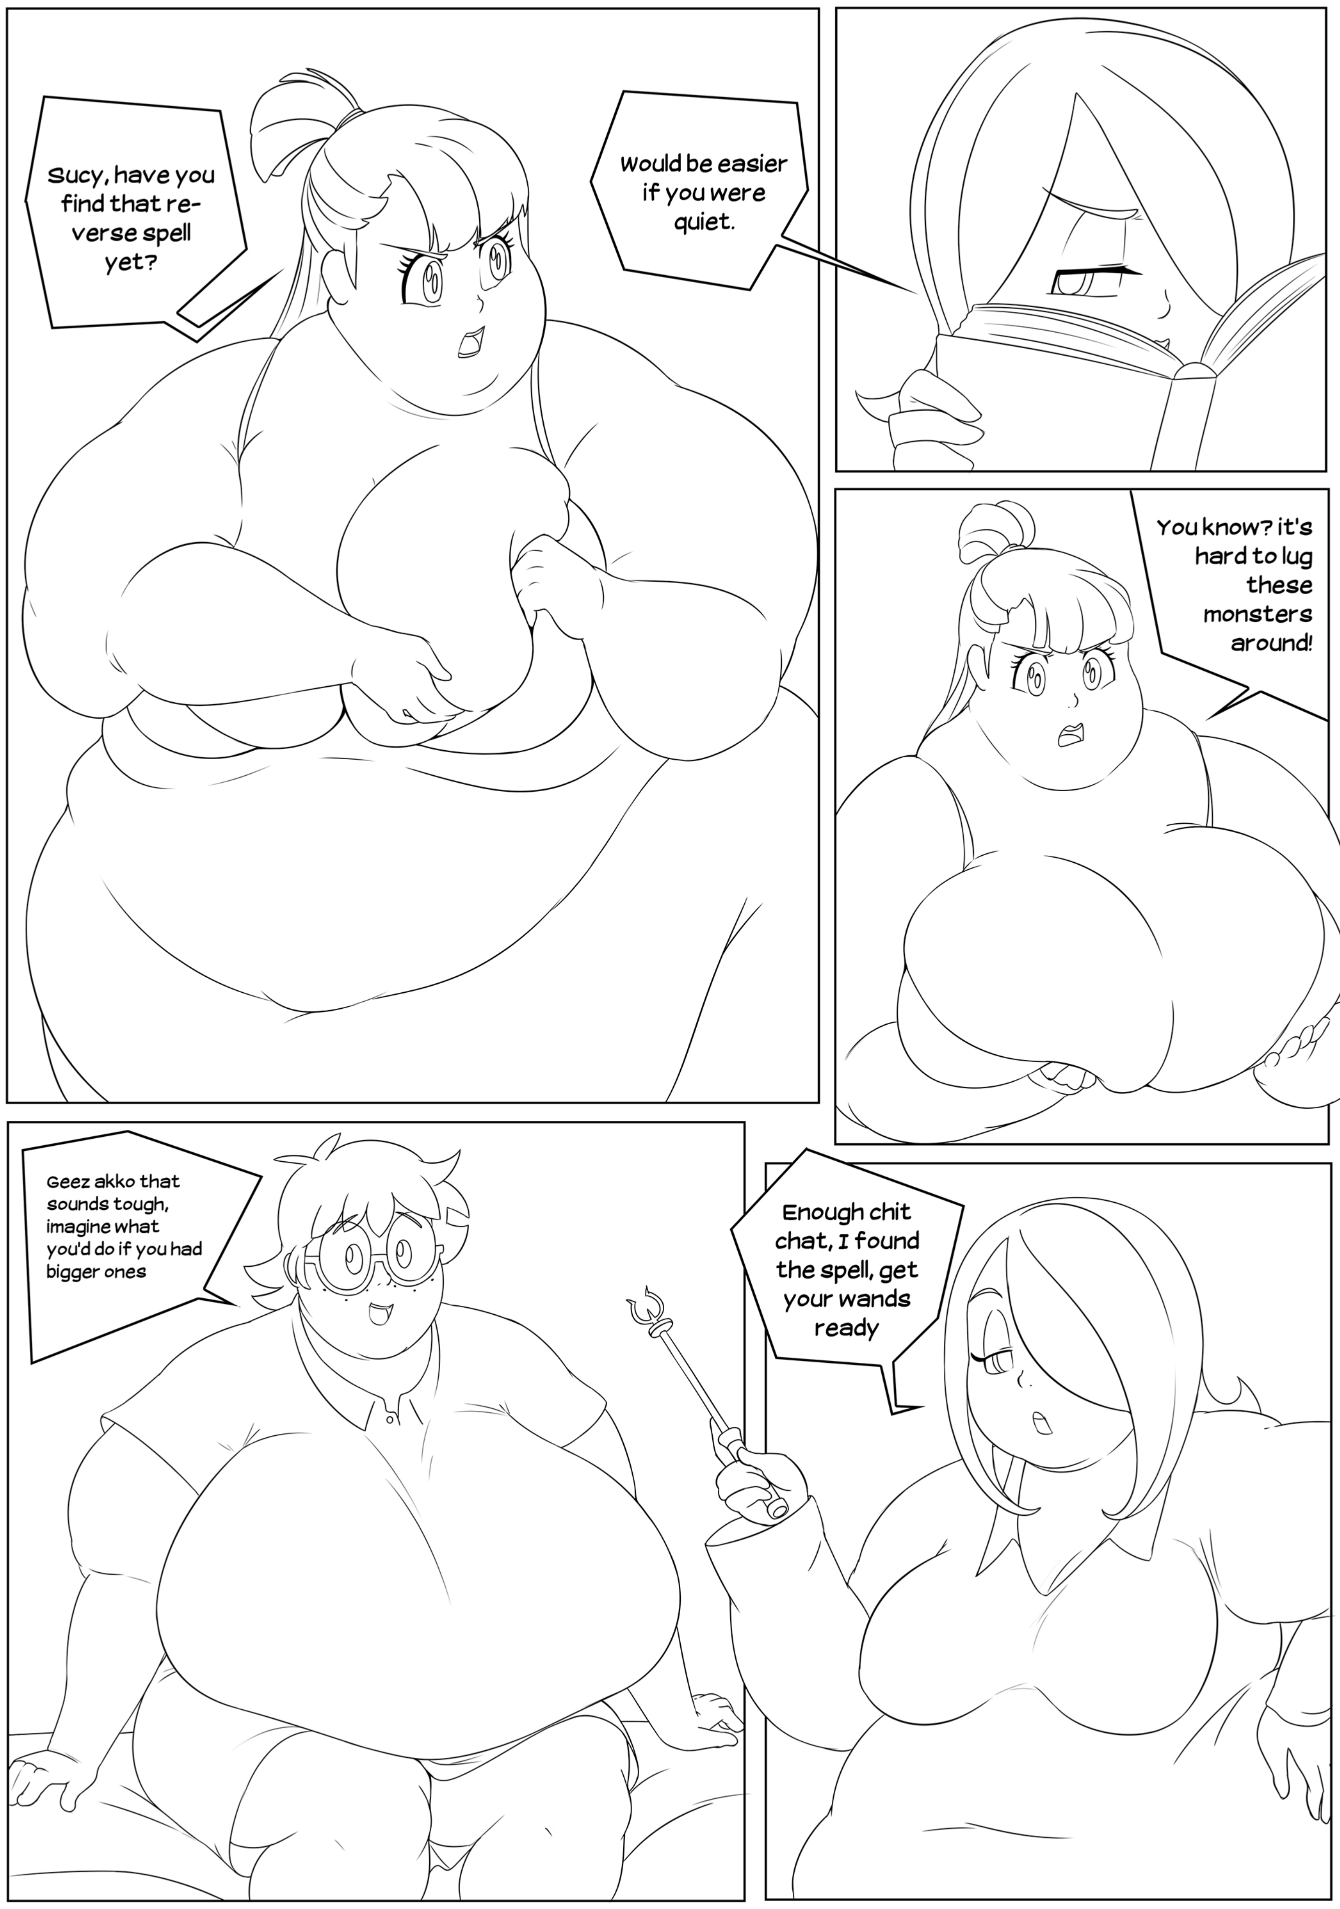
Oh, Susy, What are you doing so early?
Wanna taste my new mushrooms, Akko? this one is sweet like a dessert
(The last time i tried some of my own experiments it didnt go well, i won't make the same mistake again)
In that case i'll have a bite, you know how much i love desserts!



Sucy, have you find that reverse spell yet?
Would be easier if you were quiet.
You know? it's hard to lug these monsters around!
Geez akko that sounds tough, imagine what you'd do if you had bigger ones
Enough chit chat, I found the spell, get your wands ready

The items you've requested are done, took me some work but I think these are worth the price you're paying
Will they both work? are there any side effects or something I should be careful about?
I'm glad you asked, this is powerful magic. Changes will be permanent if the rings are worn for more than 24 hours or if you have sexual intercourse while wearing it.
So, there's no goin back if i end up fucki her after all
Are you sure I can't change back just by removing the ring?
Let me demonstrate since you seem so insecure.
You only need to place the ring on your finger and the change starts immediately.
Beware, that the request you've made might interfere with the removal of the ring, it's not impossible but it will be more of a challenge
The ring is also enchanted with a clothing spell, so you don't have to worry about the attire.
Pretty gorgeous woman you've selected. Makes me wonder if you really want to disguise as her out of necessity or...
Feels warm and fuzzy to grow this big! It kinda feels good!
